SO ORDERED.

Dated: April 12, 2022
New York, New York

JESSE M. FURMAN
United States District Judge

HONORABLE JUDGE FURMAN

I have something ON MY Heart that I feel the need to explain, at my sentencing there were some facts in my plea I felt I should've elaborated ON. Before and during my sentence my main focus was showing the courts and victim family as well as my own family remorse. one of my biggest concerns was getting the least time possible. After speaking with my lawyers, I realized that getting into details of what happened ON JAN. 6 wouldn't be in my best interest. Despite the government theory, I alone orchestrated the shooting of Nelson Ramos. I did NOT seek approval nor input from MR. Wilson. I planned this shooting before even making contact with MR. Wilson ON JAN 6th.
